- 3) Connect horizontals [4] between horizontals [3].
- 4) Place counter top on assembled base.
- 5) Attach **graphic** to front of verticals [1], using standoff screw caps.

## General Setup Instructions

- The setup instructions are created specifically for your configuration.
- Setup instructions are laid out sequentially in levels, including exploded views and a logical series of steps for assembly. We encourage you to study the instructions before attempting to assemble your exhibit.

## Cleaning and Packing

- Use non-abrasive cleaners when cleaning extrusions or ECO Glass inserts.
- Use mild cleaners and soft materials such as cotton to clean all laminates.
- Keep exhibit components away from extreme heat and long exposure to sun light. This will prevent warping and fading.
- Retain all packing material for ease of re-packing. This protects the exhibit components and keeps each part organized.

## Disassembling

- When disassembling exhibit, tighten all setscrews to prevent loss of hardware in the shipping process.
